

CSE ASSOCIATION TECHSPARKS

VISION

To foster a dynamic and inclusive platform that empowers students of the Computer Science and Engineering department to explore, innovate, and lead in the evolving world of technology. We envision a community where academic excellence meets hands-on learning, nurturing future-ready professionals equipped with technical expertise, ethical values, and a passion for solving real-world problems.

MISSION

- To cultivate a vibrant and collaborative environment that enhances technical skills, creativity, and leadership among CSE students through workshops, seminars, coding contests, industry interactions, and community projects.
- The association aims to bridge the gap between classroom learning and real-world applications by promoting innovation, research, and lifelong learning in the field of computer science and engineering.
